INFORMATIONS	
Location	North Male' Atoll
Contact Details	+960 791 70 52 kurumba@euro-divers.com
Number of Instructors	3 dive instructors
GPS coordinates	04° 13'.487N, 073° 31'.221E
SCUBA DIVING GENERAL CONDITIONS	
Best Season	<p>July – November: south west monsoon. More plankton in the water, manta season Visibility 12 to 15 meters.</p> <p>December – April: calm sea, north east monsoon visibility 20-30 meters.</p> <p>All year around temperatures 27 to 30 degrees</p>
Dives Kurumba Maldives	<p>Boat dives – morning/afternoon/night 2-tank trips/Full-day trips (3 dives) Mainly Thila, Giri, Wall, long Reef – all Drift dives</p> <p>Shore dives: Yes, sloping reef from 2m to 30m</p>
Highlights	<p>HP REEF – deep reef with over-hangs and beautiful soft corals. Medium to strong currents for experienced divers. Many large pelagic fish, eagle rays, etc.</p> <p>BANANA REEF – Beautiful reef with caves, hard corals, clown fish and snappers. Suitable for all levels.</p> <p>LANKAN – Mantas within season, many white tip reef sharks, napoleon wrasses and turtles. Manta season during the months of june to november.</p> <p>MALDIVES VICTORY – Deep wreck with much macro-life such as peacock mantis shrimps, frog fish and a lot of coral growth.</p> <p>CHICKEN ISLAND – Shallow easy dive with many sting rays, different kinds of moray eels, napoleons and turtles.</p> <p>NASEEMO THILA – Deep dive with lots of pinnacles with big overhangs and colorful soft corals.</p> <p>Fish life: Giant trevallies, white tip reef sharks, groupers and napoleons.</p>

	<p>OKOBE THILA – Deep dive in small thila with big pinnacles, surrounded by lots of tropical fish life, soft corals, sea fans corals and overhangs filled with blue line snappers.</p> <p>EMBOODHOO EXPRESS – Deep dive for experienced divers. Channel cross dive with currents from medium to strong. Marine life: big animals from grey reef sharks, dogtooth tunas, schools of spotted eagle rays and schooling jack fishes etc...</p> <p>EMBOODHOO CANYON – Beautiful canyon starting in a depth of 18 meters and shallowing the dive to 13 meters with many big overhangs and large pelagic fish, eagle rays, etc.</p> <p>GUNDOLHI – Easy wall dive with many overhangs (small caves). The dive site high light is seeing green turtles as many as you can count. The wall also gives us the chance to look for big and small marine tropical fish life.</p>
Marine Life	Mantas in season, soft corals, green and Hawksbill turtles, morays/honeycomb morays, guitar sharks, grey reef sharks, zebra sharks, white and black tip reef sharks, nudibranchs
Pelagic	Manta sightings possible in season on Lankan or Sunlight Thila All different kind of sharks (white tips, black tips, leopard and nurse sharks) and rays (black spotted, eagle rays, torpedo rays, feather tail, mantas and guitar rays) are seen frequently on our dive sites
