Best Diving Season:	All year round. Summer time (November-April) water temperature range between 26-29 degrees Celsius. May-October "winter" water temperature varies between 23 to 26 degrees.
Type of diving: Shore/ boat, max depth, current, Landscape (reef, sand, plateau etc...), distance	All the dives are conducted with a speed-boat. It takes from 5 minutes to 30 minutes to reach most of the dive sites. We do one dive at 8:30 for experience divers and one at 10:30 for all divers. We propose one single dive in the afternoon at 2:00pm depending on the weather. The depth varies between 8 meters to 40 meters.
Highlights	<p>"Cathedral": Only 20 minutes from our Diving Center, and the most famous dive site in the Flic-en-Flac area. A beautiful cathedral made by huge rocks. The dive begins at 10 meters and the entry of the cathedral starts at 24 meters and the exit is at 27 meters. Schools of Jacks lobsters, moray eels, porcupine fish.</p> <p>"Snake Reef": A snake shaped reef in the middle of a white sandy bottom. The dive is at 23 meters and you can see the full range of Indian ocean's tropical fishes. Including ribbon moray-eel, stonefish, scorpion fish etc. It takes 5 minutes only from Albion to reach this place.</p> <p>"Colline Bambou": A beautiful drift dive for experienced divers only. You will swim through caves, tunnel, arches at a depth between 25 and 38 metres. Nice encounters with fusiliers, lobsters and pelagic in the blue.</p> <p>"Aquarium": An easy dive for everybody between 5 and 20 meters, a large amount of fishes and possibility of eagle rays, jack fish, fusiliers etc..</p>
